Few Escape Satan's Power In Their Lives To Do My Will, My Son

"Truly all the world is under the control of the Evil One- there are few places where he is not present, indeed all is controlled by him, Satan, even My people who let him run their lives by prayerlessness. Indeed My people refuse to obey, so they're easy targets of black masses and witchcraft galore, who do not let Me rule in their lives but are too lazy to care these days. Indeed all are doing what Satan tells them to do through the flesh of sinful desires, the world and all that are in them. Even My Israel and My people are under satanic control galore, except those where My Spirit rules and reigns in their hearts. Indeed all are given over to satanic control in their lives that they may come to their senses and come to Me, My son, by escaping satanic power in their lives by My Blood. All must be under the Blood to escape Satan's power in their lives, to have God's power reign and work in their lives instead of Satan's. Indeed all the world is doing the work of the Evil One, all sinners are doing Satan's will in their lives, My son, which is sin. All are given over to the power of Satan that they may come to know Me, the Living God. I rescue who I want out of Satan's kingdom, My son, and make them My Own. All are given unto Satanism and work Satan's power in their lives that they may know Me and escape his grip and be filled with My Holy Spirit, My son. My power reigns in My peoples' lives who let Me work in them and do not resist My working, My son. Indeed My power is greater than Satan's by orders of magnitude, indeed I Am the All-Powerful God! He is nothing before Me, even less than nothing. That's why I let satanic power work it's evil in peoples' lives who are sinners before Me, that they may escape its bondage through sin, and get to know Me, the Savior of all the world. Indeed few do, the masses preferring to be ruled by Satan and his evil power- few escape his clutches. Those I will save for all eternity. Your LORD has spoken, amen."
